### 3-day Course on Tea Tasting

The Association is pleased to inform Members that a 3-day course on "Tea Tasting" is being organized at Tocklai Tea Research Institute for the Factory Managers and Asst. Manager (Factory) and Executives of our Member Tea Estates to be rescheduled from "Monday, 11<sup>th</sup> July to Wednesday, 13<sup>th</sup> July 2022".

**Topics:** The main objectives of the course will be to impart hands on training on Tea Tasting with some basic understanding on tea processing and biochemistry related to tasting. The course will cover numbers of practical tea tasting sessions by the experts to taste tea samples of different types of tea like CTC, Orthodox, Green tea and Oolong tea from different areas of North East India and make comparisons to suggest improvement technique. It is expected that the participants after attending the course will have a basic understanding on tea tasting and related aspects on tea processing and biochemistry, which will help them to further improve their tea tasting skill in due course.

The Course will commence at 9:00 am (IST) on the first day and Participants must arrive on the previous night or before 9:00 am of the first day of the Course and should leave only after completion of the Course.

**Fees:** The Course Fee : Rs.21,500/- (inclusive 18% GST) and with breakfast and lunch.

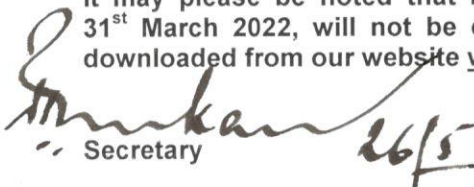

The Participants needing accommodation may contact the local hotels directly, the details of which is given below:
