Inviting Expression of Interest

Tocklai Tea Research Institute of Tea Research Association invites expression of interest from parties to upscale and commercialize its bio formulation products. Interested parties may apply for the same and should comply with the following conditions :

1. Upgrade for Commercial Operations : The interested party shall upgrade the existing facilities at Tocklai Jorhat at its own cost for the current products manufactured by TRA Tocklai to produce a minimum of 1,00,000 litres/Kgs per annum :

TRA- TRICHO-L
TRA – TRICHO-S
TRA – BST-L
TRA- META-L
TRA – PGP-L
TRA – PGP-S

2. Requirement for Installed Capacity upgrade: The interested party will be provided space at a nominal rent to construct structures or install any equipment / machinery for the purpose of upgrading installed capacity. TRA will try to provide residential accommodation on rent at market rate for officials and staff of the project which will be co-terminus with the project.
3. Sale & Marketing of Products : TRA will allow use of it's name and logo for sale and marketing of the bio formulations produced in the facilities.
4. Royalty on sales : TRA will negotiate with interested parties for a reasonable royalty on total sales which should not be less than 10% of the total net (before taxes) annual sales turnover.
5. Operation, Management & Maintenance : The interested party shall undertake to Operate, Manage and Maintain the Production Site and all Project Assets as well as related construction works undertaken by the Party, according to the Best Industry Practice and in accordance with the Regulatory Provisions. TRA Tocklai will also monitor the products from time to time to ensure quality. Cost on electricity and water supply will have to be borne by the successful party.
6. MOA : The commercialisation of the Tocklai bio formulations would be covered by a Memorandum of Agreement between TRA and the Party. The tenure of the agreement and other modalities if any will be finalised by the TRA Council of Management.

Interested parties may submit their offer in writing in sealed envelope marked “ EOI for Bioformulation “ to reach the Director, Tocklai Tea Research Institute, Tea Research Association, Cinnamara, Jorhat by the 22nd February, 2022
